15th October, 2026

Dear Parent/Guardian,

RE: TERM 3 2026 END OF TERM NEWSLETTER: STUDENTS RELEASED ON THURSDAY 15/10/2026 AT 5.00 P.M. AND EXPECTED BACK ON WEDNESDAY 06/01/2027 BY 6.50 AM.

We thank our Lord for His blessings in this last part of third term 2026. **All students have been released on Thursday 15th October 2026 at 5.00 p.m. and are expected to report back on Wednesday 6th January 2027 by 6.50 am.**

A lot has been done this term and these are the highlights -

1. STUDENTS' ACADEMIC PROGRESS

The End-of-Term Examinations concluded on Thursday, 15th October 2026. Progress reports will be shared via SMS through ***Zeraki Analytics***, with hard copies issued when schools reopen in January 2027. Kindly discuss your child's performance with them, celebrate their achievements, and encourage improvement where necessary. Let us continue supporting our learners to achieve their subject and overall grade targets.

2. KCSE

As the Form Four Class of 2026 prepares to sit for their KCSE examinations, let us join hands in praying for them and wishing them success in their exams and all their future endeavours.

3. LEARNING MATERIALS

Parents and guardians are encouraged to ensure that their sons and daughters have the following learning materials.

- Calculator – FX82MS
- Geometrical set and calculator
- Bible

4. TECHNICAL SUBJECTS

We are happy to inform you that from January 2027, the school will offer two more additional technical subjects. Home science and Electricity. This is in addition to Agriculture and Computer Studies. These subjects will be on offer to the 2027 grade 10 cohort.

The school is focused on ensuring our learners are armed with the 21st century skills key among which is digital literacy. To this end, we have introduced coding to our learners from 2027 to ensure that all our learners have digital skills.

5. GRADE 10 LEARNERS

The learners have settled down after being taken through and guided on various combinations of learning areas. They are disciplined, focused and show confidence in various areas including co -curricular activities. It has however been observed that some of the learners still have glaring gaps which must be filled by constant engagement with the learnt content over this break. Keep the grade 10 learners constantly engaged in their books over this break.

CamScanner

6. GRADE 10 ASSESSMENTS

Grade 10 learners started their assessment which included projects and written tests. The teachers have taken the learners through the various tasks of the assessments.

7. HOLIDAY ASSIGNMENT

Ensure your son/ daughter does the holiday assignment that he/she has been given by subject teachers. The tasks will be checked once we open for Term 1, 2027.

8. CO-CURRICULAR ACTIVITIES

We offer a holistic curriculum to our learners in addition to sports, the following are on offer in the school, chess, scrabble, coding, the scouts and the red cross clubs. The scouts have made the school very proud this year and we are hopeful for more successful exploits in 2027.

9. SCHOOL UNIFORM

Parents are requested to replace uniform that is old or worn out. All students should also have the proper games uniform. The school shoes should be leather shoes and also be in good condition. For PE and sports, students should have sports shoes.

10. DISCIPLINE

Discipline is a shared responsibility. We appreciate our students for maintaining good discipline, with no major cases reported this term. However, parents are urged to help address **drug exposure**, **absenteeism,** and **wearing non-school uniforms or shoes**.

NB: Parents/guardians should promptly inform the school whenever a student is absent. Let us work together to maintain high standards of discipline.

11. COMMUNICATION

We are pleased to inform you that our school has launched a new website as part of our communication and access to information. Please visit the website on http//: hgmtingangaseniorschool.com regularly to stay up to date on school activities and important notices. Our school's official telephone number is **020 2003344.**

Finally, accept our appreciation for the cooperation and continued support. We wish you God's blessings and a happy new year 2027.

Yours in Service,

LAWRENCE MUNGAI
