30th March, 2026

Dear Parent/Guardian,

RE: TERM 1 2026 ENDTERM NEWSLETTER: STUDENTS RELEASED ON TUESDAY 31/03/2026 AT 5.30 P.M. AND EXPECTED BACK ON WEDNESDAY 29/04/2026 BY 7.00 AM.

We thank our Lord for His blessings in this first part of first term 2026. **All students have been released on Tuesday 31/03/2026 at 5.00 p.m. and are expected to report back on Wednesday 29/04/2026 by 7.00 am.**

A lot has been done this term and these are the highlights:

1. STUDENTS' ACADEMIC PROGRESS

The term started well. Students in Grade 10, Form 3 and 4 did their Mid Term examinations which were marked, papers returned and corrected. The midterm academic progress reports have been prepared and posted in the *Zeraki Analytics* platform. The End of Term exams concluded on Tuesday 31st March 2026. Students are expected to collect their report forms on Thursday 2nd April 2026 at 10.00am. Discuss this performance with your child so as to motivate him/her towards better and even excellent academic performance.

2. EXAM TARGETS

At the beginning of each term, students set their targets, both subject targets and overall grade targets. Most of them have met their targets and for those who have not we continue to encourage them to do so. Let us continue supporting them.

3. LEARNING MATERIALS

Parents and guardians are encouraged to ensure that their sons and daughters have the following learning materials.

- Geometrical set and calculator
- Bible

4. SCHOOL UNIFORM

Parents are requested to replace uniform that is old or worn out. All students should also have the proper games uniform. The school shoes should be leather shoes and also be in good condition.

5. HOLIDAY ASSIGNMENT

Ensure your son/ daughter does the holiday assignment that he/she has been given by subject teachers. The tasks will be checked once we open for Term 1, 2026.

6. DISCIPLINE

Discipline is a key pillar in our school. It is a collective responsibility. Play your part in instilling the same to your son/daughter. Majority of our students have displayed a high level of discipline, and over the course of the term there have been no major indiscipline

Motto: Discipline and Hard work for Excellence

cases. However, the following areas need your attention: **exposure to drugs, absenteeism, and use of non-uniform garments / shoes** in school. Let us join hands in curbing these vices.

NB. In case a student misses school for whatever reason, the parent / guardian should make urgent efforts to communicate with the school.

7. COMMUNICATION

We are pleased to inform you that our school has launched a new website as part of our communication and access to information. Please visit the website on [http://: hgmtingangseniorschool.com](http://hgmtingangseniorschool.com) regularly to stay up to date on school activities and important notices. Our school's official telephone number is **020 2003344**.

8. VALUES

Values are integral in the development and progress of any community. As a school, all our activities and programs, on a daily basis, seek to enshrine life-long values to our students. Values like **self-control, honesty, time management, diligence, responsibility, focus, punctuality, tidiness, patience, peace, sobriety, etc.** are espoused and cherished in our school. Sit down and talk to your son/ daughter on these values, and we urge you also to insist on the same and even more at the home level. This collective responsibility will help in the formation of a human person who is whole.

9. GRADE 10 LEARNERS

The learners have finally settled down after being taken through and guided on various combinations of learning areas. The learners are disciplined, focused and show confidence in various areas including in co-curricular activities. It has however been observed that some of the learners have glaring gaps which must be filled by constant engagement with the learnt content over this break. We will share more details with grade 10 to parents during our meeting in term 2 2026.

10. IMPORTANT DATES

Kindly take note of the following dates and events:

Date	Event
29 th April 2026	School Opening Date
7 th May 2026	Grade 10 Parents Meeting
24 th June 2026 – 28 th June 2026	Mid – Term Break
3 rd August 2026	Tentative School Closing Day

Finally, accept our appreciation for the cooperation and continued support. We wish you God's blessings.

Yours in Service,

Lawrence Mungai
